### **Executive Title Announces ‘Closing in on Breast Cancer in 2008’**

Mount Juliet, Tennessee, January 30, 2008 – In an effort to help patients and survivors of breast cancer, Executive Title has announced that it will donate **\$25 per closing for 2008**.

“There are many people in this area who may be going through treatment and are needing a little extra ‘boost’ to get them through. Even if they are able to take leave from their jobs they could miss several paychecks. We want to make a grassroots effort to assist the people in our community when they need it most”, said Jackie Heatherly, President of Executive Title.

In order to make this effort successful, Jackie and the staff of Executive Title are calling on the real estate and lending community’s assistance. “When you close with Executive Title, you are not only offering your clients the utmost in integrity and professionalism in handling their closing but you are giving someone else a brighter day”.

Executive Title, LLC provides closing and escrow services to the real estate and mortgage lending community.

Executive Title opened its doors April 1, 1999 in a small office across the street from Mt. Juliet High School. We have since moved to a house on 7 ½ beautiful acres which runs along Stoner Creek at 4470 Old Lebanon Dirt Road. Executive Title is owned by Jackie Heatherly, Mary Frances Rudy, John Gleaves, and Laura Mitchell. We offer excellent service in real estate closing practices with a great staff to serve you. We are an approved agent for First American, Chicago and Stewart Title Insurance Companies. We are flexible in our scheduling and offer after-hours and Saturday closings when necessary at no additional charge to the client. We also are the home of the Fine Arts Guild. Please stop by any time and meet our staff and stroll through the office and take in the wonderful art on display. Please choose Executive Title for your next real estate closing.
